

**Title:** Local Landcare Coordinator (Temora/Bland Shires)  
**Location:** West Wyalong/Temora  
**Salary etc:** Part-time (0.5 – 0.6 FTE)

**Description:**

We are seeking a motivated and passionate person to fill a part-time Local Landcare Coordinator position based in Temora and West Wyalong. The position will be employed through LachLandcare Inc. and hosted by Temora Shire Council and Lake Cowal Foundation.

The successful applicant will work closely with Landcare, environmental and school groups, to improve their capacity to support and increase community engagement, and effectively participate in natural resource management and sustainable agriculture.

The role will increase the capacity of local organisations to:

- Improve community engagement and participation in NRM activities;
- Support more groups, networks and landholders;
- Undertake planning, develop partnerships and secure resourcing through project grants and other sources;
- Monitor, evaluate and report on activities;
- Link to government and other NRM programs to develop on-ground projects, in line with regional and state strategies.

The successful candidate and the employer will be supported to undertake these roles through their membership of a regional and state network and by participating in, and contributing to, a state and regional community of practice, coordinated by Landcare NSW.

The successful applicant will at times be required to be flexible in their working hours, which will involve some attendance at out-of-hours activities, some travel, and overnight stays.

**Details for the position offered by LachLandcare** can be downloaded from:
